My dear Sir

As expected I am feeling that the period allowed to me for my stay may prove to be rather insufficient Mr. Modak's absence from Headquarters has come up as a handicap for me He is expected to be back from Delhi on Monday the 17th The Corporation offices have also been practically closed there 3 days because of pooja holidays However I have been engaging myself with the inspection of different Sewage purification works as planning works and the labour flats put up by the Corporation of Bombay I will be in a position to get the details of Housing and other post war Reconstruction Schemes only after the special enquiries Mr. Modak returns Hence I may kindly be

permitted me to extend my stay by a period not exceeding a week, so that I may be in a position to so chalk out my inspections, under the present circumstances, that I can return with satisfaction of having seen and learnt something worthwhile & take it that you will kindly approve this I may not fully avail of the extension period & mean returning earlier than that I feel I have done my work. Life at Bombay as it is today is apt to get on ones nerves, what with the madden ing crowds everywhere accompanied with congestion, dust and mountain of it is unbearable that a taken of the present population of Bombay rendering the legislators are houseless the housing problem is there something more than staggering

Yours sincerely
